WHAT YOU SHOULD KNOW

Installment tax notices are mailed on or before the 1st day of the month due. If you do not receive an installment tax notice for each property and/or account you own, visit us online or contact our office for a duplicate.

When the discount period ends on a weekend or holiday, the discount is extended to the next business day.

Failure to receive an installment tax notice does not extend discounts or excuse your responsibility to pay taxes and applicable penalties for late payments.

If you sold the property after one or more installment payments have been made, forward the notice to the new owner or return it to the Tax Collector marked Sold.

If you have an escrow account on your real property, contact your mortgage company to discuss the request and payment of your property taxes.

If you no longer operate a business or rent your real property, contact the Property Appraiser to update your records and discuss removing your tangible account from future tax rolls.

The installment application is available at www.leetc.com under forms and documents.

In most cases, paying by the installment method provides discounts similar to the 4%/4 discount in November, however, it is not equivalent to and may change dependent on qualified exemptions and values.

Once you have enrolled in the Installment Plan, you do not need to re-apply each year.

THE 2021 INSTALLMENT PLAN APPLICATION WILL BE AVAILABLE LATER THIS YEAR.
