Did You Know...

Application for Disabled Person Parking Permit, Form 83039, is required for every permit issuance, including replacements.

Any Florida resident who owns or leases a vehicle is eligible to purchase a disabled person's license plate to use in addition to the parking permit.

An additional permit may be issued to an applicant who is a quadriplegic or a frequent traveler. Frequent traveler is defined as one who travels by plane, train, bus or boat and needs one permit to park their vehicle at the place of departure and another to use at destination.
